

## PICKED PLAYERS MEET ON SUNDAY FAIR GROUNDS SCENE OF BATTLE

Maui's senior baseball series is going to be shoved in the incinerator for at least one week, and Sunday afternoon at 3 o'clock, the powers that be in the Islands baseball world are going to show the local fans and fanettes some real baseball.

Twenty four picked players from the five teams of the major league are going to gambol on the green of the Fair Grounds diamond and they are going to play baseball, not ping-pong.

They will have to toe the mark and show their best form because of the twenty four players who will take the field, twenty will be selected to represent Maui at the territorial championship series that will be played at Honolulu, September 16 and 17.

Holding down one bench on one side of the diamond will be Harold Rice, the active leader of the first series champions. On the other bench and on the other side of the field will be none the less personage than George Cummings, for many years the leader of the Wacs, the team that in the past has been one of the best that local talent could produce.

On the Rice team will be, Wicke, Wadsworth, Bill Bai, Foster Robinson, Souza, Masachi, Chartrand, Silva, Haake, Caswell and Scholitz.

On Cummings team, Reis, Chris Cockett, L. Cockett, Jimmie Enos, Wells Cummings, Ah Leong, H. Shim, Ah Sam, Sequeira, Tsuda and Sueda.

Pick your winner and then root and root some more.

Remember its 3 o'clock Sunday afternoon and that every iron man that rolls into the gate will go to sending Maui's colors, the yellow and the black, to the territorial title series at Honolulu.

Will Meet Mandarins  
(Special Correspondence to Maui News)

HONOLULU, Sept. 6 — Although the championship of the Honolulu Baseball league will be at stake next Sunday afternoon insofar as the Chinese team is concerned, the Mandarins will represent Oahu in the inter-island championship series the following week, regardless of the outcome of next Sunday's game, as the Chinese will be leading the league even if they drop their next contest to the Braves.

The Chinese will close their season next Sunday in a game with the Braves and if they win their final game they will clinch the pennant in the local league. A victory for the Braves will leave the Chinese in first position but will give the Wanderers a chance to tie for the championship provided the Gyps win from the Braves in the final game of the season on Sunday, Sept. 24. At a meeting of the Honolulu league held last week it was decided that the team which is leading the league after next Sunday's games will be chosen to represent Oahu in the inter-island series. This gives the Chinese the right to play in the series as they cannot be dethroned by a defeat at the hands of the Braves.

### The Sportfolio

What is the major league record for the greatest number of hits in one game? (J. R. J.)

Did Benny Leonard ever fight Johnny Kilbane? (M. P.)

What is the high record for 18.2 balkline billiards? (F. H. H.)

Is there any recognized record for skipping the rope? (T. G. D.)

Did any woman ever bowl a perfect score in a match game? (E. T. S.)

### ANSWERS TO TUESDAY'S QUERIES

Shugart, Miller and Peitz, of St. Louis (N. L.), made three home runs in succession in 1894; Lajole, Hickman and Bradley, of Cleveland, did the same thing in 1902.

Mrs. C. S. Brown was the first woman to win the United States golf title, the tournament being played in 1895.

Jack Britton and Ted Lewis have fought twenty-two times.

England and America have each won four matches in the play for the International Polo Cup.

In poker it is not permissible to deal the last card from the deck. This must be shuffled with the discards.

### World Wars Greatest Hero Now Laboring On Ohio Dam

CINCINNATI, Sept. 6—Sergeant Woodfill who is characterized by General Pershing as "the greatest single hero in the world war" took a job on the Ohio river government dam at Silver Grove, Kentucky, while on a three months furlough. Woodfill said he needed the money for payments on his home which he was unable to raise from his pay of sergeant in the army.

## Kualapuu Champ's Of Lonely Isle Baseball Series

Winning Run Is Scored In Tenth Canto, Much To the Oppositions Disgust; Luau Is Held

(By Maui News Correspondent)  
PUKOO, Molokai, Sept. 5—Kualapuu by tallying in the 10th inning won the Molokai championship from Mapulehu after an exciting and frenzied game at the Kaunakakai diamond, last Sunday afternoon.

Incidentally, Mapulehu waltzed away with a hundred iron berries and the silver cup which were trophies emblematic of the Lonely Isles baseball honors for the 1922 season. Many were the fans that gathered at Kaunakakai to root and howl for one team of the other and for the past two days the doctors and veterinarians of Molokai have been painting sore throats with amica, and worse.

The only thing about the game that wasn't as good as it might have been was the soreness of some people and their easy willingness to exhibit it. Rotten eggs were passed around by a certain few who evidently got all fussed up because they couldn't run the whole shooting match and were very poor sports especially in regard to personalities.

Credit is due the Mapulehu team for the gameness displayed by that aggregation. In the early stanzas when far behind the opposing team, they were fighting all the way.

The Kaunakakai girls team carried off the championship of indoor baseball.

On Labor day a luau was given by the winning team to which all who wished to come were invited. It was held on the grounds of the "Old Mahoe Home". A grand old time was had.

## Sport Events For Regatta Day In Honolulu Is Told

(ASSOCIATED PRESS)

HONOLULU, Sept. 7 — Twelve events are slated on the card for Regatta Day, to be held here on September 16th. These include the junior and senior six-oar barge races, departmental six-oar barge, freshman six-oar, intermediate six-oar, senior and freshmen girls' six-oar races, senior and junior pair oar, naval cutter race, six paddle canoe race, and boys under 18 six-oar. The list is not given in the order it will be run off, but is merely a list of the events to be held.

The single scull races were dropped from this year's program, as there is a difference in the vessels used by rowers of the different clubs.

The swimming and surfboard events were also dropped, it being decided that the Harbor course was not the place for them to be held.

About one hundred and fifty contestants will enter, it is expected.

## Kula Sanitarium Has Radio Receiving Set; Good Results Told

Kula Sanitarium has its radio receiving outfit and is getting broadcast entertainment twice a day. The outfit was delivered Tuesday afternoon and was installed at once and in operation Tuesday afternoon. James Cumming, assistant superintendent of the Sanitarium expressed himself as much pleased with the results that were obtained. It was delivered through the Maui Electric Company from the Mutual Wireless Company and installed by Manager J. C. Blair of the Maui Electric Company.

Several weeks ago, when the wireless bug first stung Honolulu, James Cumming was over in the capital city and raised the funds necessary to purchase an equipment for the Sanitarium. Until recently the Mutual Wireless was not in position to make deliveries owing to delays in receiving apparatus from the mainland. But the wait is over and every one at the Sanitarium is reported to be satisfied now. Assistant Superintendent Cumming issues a general invitation to the public through Maui News to "come on up and listen in." J. C. Blair reported to the editor on Wednesday.

On Maui it is planned to handle the apparatus sold by the Mutual Wireless Company as agent through Maui Electric Company and Manager Blair of the latter company was authorized by the directors of the company at their meeting Wednesday morning to secure a set for demonstration purposes. He said he expected he would receive one by tomorrow and that demonstrations will be started soon after its receipt.

## A. F. of L. Will Support Impeachment Efforts

(ASSOCIATED PRESS)  
NEW YORK, Sept. 7—The support of the American Federation of Labor to any efforts of impeachment against United States Attorney General Daugherty and Federal Judge Wilkerson, for the issuance of the recent rail injunction, was pledged today by Samuel Gompers, President of the Federation, in a telegram from Atlantic City received by the Central Trades Labor Council here.

## U. OF S. C. PLACED ON COAST CONFERENCE WASHINGTON STATE ELEVEN IN LIMELIGHT GREAT GAMES PROMISED IN VARSITY RACE

(ASSOCIATED PRESS)

SAN FRANCISCO—Football is getting ready to kick off for the 1922 season and, in a short time, the gridiron game will edge baseball out of the sporting spotlight.

Although practice at the Pacific Coast Conference schools cannot start until September 15, most of the varsity candidates will be out in uniform when the universities and colleges open late this month and early next month.

University of Santa Clara probably will play the first game of the season when it meets the team from the U. S. S. California on Admission Day September 9. Not until September 20 will the larger colleges swing into action.

A tentative schedule follows:

### Southern California Eleven

The University of Southern California football team will play its first season as a member of the Pacific Coast Conference this fall with an eleven that will rank well with any team on the coast, it is asserted by southern California football fans. Students of the school are looking forward to the game with California, October 28, at the new Tournament of Roses stadium in Pasadena as U. S. C.'s "Big Game".

Elmer C. ("Gloomy Gus") Henderson again will coach the squad and already has made his annual prediction of a season full of defeats for his team. Other members of the coaching staff, however, are optimistic over the team's chances.

Several of last year's team have been lost to the school through graduation. They are Roy "Swede" Evans, Charles Dean, Johnny Leaning, Jimmy Smith and others. With three of last year's varsity, however, together with a wealth of material from last season's freshman team on hand, a team equal in strength to the 1921 eleven is hoped for.

Henderson plans to build his 1922 team around Captain Leo Galland, a 220-pound center. Johnny Boyle who was the outstanding star of the Trojans in the game with California last fall, will hold down one tackle berth, while Norman "Swede" Anderson of last year's freshman eleven, is expected to fill the other tackle position.

Paul V. Greene, who played one end during the 1921 season, was married this summer and may not return to college. John Milton, who was ineligible last year, will try for one of the wings. Milton who was said to be the best kicker at the school last fall for either drop, placement or punting and is expected to do the booting for the squad this season.

Howard ("Hobo") Kincaid, Phil Tiernan, Chet Dolley, Amos and Harold Galloway and Roy Baker are the leading backfield candidates.

### Washington State Strong

Eleven letter-men from last year's squad will be out for places on the 1922 Washington State College football team when practice begins on September 15. Included in the list will be veterans for every berth on the team except that of center.

Captain Ford Dunton will be in his old place at tackle and also will probably carry the burden of most of the kicking for W. S. C. this year. Dunton is a consistent 50-yard punter, and did most of the booting for the school last year. He has devoted most of his spare time this summer to kicking practice.

Arthur Hamilton, brother of Fred Hamilton, the 1920 captain, and a tackle on last year's team, is back in college and Meeker, letter-man from the 1921 machine, is another tackle candidate. Frazier and Shannon are the most likely tackle prospects from last year's freshman team.

Duerwacher, McKay and Davis, guards from the 1921 team, are eligible again this year, as is Hoffman, substitute from last year.

There are no letter-men available to fill the position of center vacated by last year's captain, Earl Dunlay. Of the men who will be out for the position, Cramer, last year's substitute, seems the most promising.

Clarence Loomis and Verne Hickey, "W" winners, are the veterans who will be out for the end berths. Cook, a second team player from last year, and Keller and Hughes, of the 1921 freshman squad, will also be eligible.

Of the backfield men, the veterans who will return are Moe Sax, quarter, Zaeffel and Sandberg, Davis and Griffiths, freshman quarters from last season, will both be back. Three other backs from the 1921 freshman combination who will be out are Slater, Hales and Triggivi.

There would be little surprise here if Coach Gus Welch should shift Hickey from end to backfield, possibly quarterback. Although Hickey is considered one of the best ends in the conference, he is said to be even better as a backfield player. He combines ability as a good passer with the knack of consistently getting off 50-yard punts.

George Varnell, well-known Pacific Coast football official, says that the pre-season size-up of the W. S. C. prospects shows a good squad, a generous sprinkling of players for all positions, good kickers and passers plenty of weight, but a lack of real speed. He believes, however, that prospects look better this year than they did before the opening of the 1921 season.
